Poetry.

In the South a hissing terror
Rose, decoying States to error
By its spell-envenomed foam;
And the rage of this perversor
Of our fathers' laws, accurser,
Fenetrates their very home.

Yes, 'tis heard; and consultation.

Hold the heroes of our nation.

With the one who gave it birth.

And through palm and laurel regions,

See ten thousand war-proof legions. Led to conquer on the earth mored?

And our brethren, sonthward flying, Firm on viewless help relying, Mark them crush the monster's head Hear the millions short viltorious, Union! Union! peaceful, glorious, Live forever! thy foes are dead!
